English - native

French - fluent

German - beginner

I am an Irish graduate with a Master's degree in Biology from the University of Montpellier. I have acquired a high level of customer service and professionalism through several previous positions in which I have learnt to provide an efficient service, adhering to rigorous hygiene standards. I am a creative and ambitious person and enjoy working collaboratively on projects and exchanging ideas.

EDUCATION

M.Sc. Biologie-Santé Université de Montpellier	2020 – 2022 Mention Très Bien
B.Sc. Chimie University of Galway	2015 – 2019 1st Class Honours
